Thank you for your cooperation in ensuring a smooth and professional event experience! Please review the guidelines for on-site photography and videography at eMerge Americas.

Capturing Photos + Videos

Accredited press and media organizations with an official eMerge Americas media pass are permitted to take professional photos and videos. Proof of accreditation is required upon request. Need further assistance? Please email press@emergeamericas.com.

Please note: Company content/multimedia teams are not considered members of the press and must obtain their passes through their organization's sponsorship pass allotment or purchase a pass. No media pass will be assigned.

At a booth, you can use mobile devices or DSLRs to capture booth activity for real-time social media coverage. Be sure to tag @eMergeAmericas to maximize visibility!

During sessions, you may take photos or record video from your seat using a mobile device or small DSLR, as long as it does not obstruct views, block aisles, or disrupt the presentation. Please refrain from approaching the stage at any time to take photos or record video.

Flash photography is prohibited after a session begins.

Large-format cameras, tripods, selfie sticks, and other professional recording equipment are prohibited.

Drones are not permitted.

Sponsors, speakers and exhibitors requiring a designated photographer or videographer with a small camera to film in a specific area or capture an executive speaker on stage must submit a request at least three weeks in advance at social@emergeamericas.com.

While full production crews cannot be accommodated, we recognize the need for additional footage. Sponsors, speakers and exhibitors seeking high-quality content beyond booth coverage can request official conference photos and videos from eMerge Americas at social@emergeamericas.com. Content will be available 30-45 days after the event.

Photo + Video Usage

Photos + videos may be used for editorial purposes (magazines, newspapers, blogs, websites).

Limited promotional use is allowed to promote participation.

Photos + videos cannot be used for commercial, sponsorship, or advertising purposes.

The use of eMerge Americas images in commercial, non-news-related publications, websites, or any other for-profit use is prohibited.

Event Recording Notice

By entering eMerge Americas, all attendees acknowledge that photo and video recordings will take place and grant permission for the organization to use and broadcast this footage.

No flyer or collateral distribution

Overall, please be respectful and considerate of others.
